

## The Busy Day

When Edwin got home from work, he dropped his bag on the floor and plopped on the couch. What a busy day I had," he sighed. "I am exhausted." Edwin's roommate walked in. "What made your day so busy?" he asked. Edwin explained.

"It started this morning when I dropped off some letters at the post office. The line was so long that I ended up running late for work. Then, at work, I had so many meetings. It felt like they were never going to end. I planned to come home for lunch, but I was so busy I skipped that trip. I grabbed a sandwich and a drink from the diner on the corner. As I was jogging back to the office, I tripped and dropped my drink. But I was too busy to go back and get a new one. When my day was finally over, I hopped in my car and drove home."

"What are you planning to do this evening?" Edwin's roommate asked. "Nothing!" Edwin responded, "I will be sitting right here on this couch, resting."

## The Hottest Day

One August day, Tyler went outside to play tag with his friends. The sun was high in the sky. It felt like the hottest day of the year. As Tyler was running around, his face got redder and redder and he felt hotter and hotter. “It’s too hot outside to play tag,” Tyler called to his friends, “let’s go swimming instead.”

Tyler and his friends hopped on their bikes and rode to the pool. At the pool, they had a contest to see who could make the biggest splash in the water. Tyler made a pretty big splash, but his friends made bigger ones.

The friends had lots of fun at the pool. The saddest part of the day was when they had to stop playing and go back home.

## The Baker

Rashawn is a world class baker. He has been baking since he was a little boy. Every day you can find him dancing around the kitchen while making yummy treats. He also loves trading tips with other bakers about how to make their dishes even better.

One day, Rashawn's friend, Payton, came over to visit. Payton was hoping to taste some of Rashawn's newest treats. "You're right on time!" Rashawn called. "I was just taking a fresh pie out of the oven." He cut two slices of pie and handed the larger slice to Payton. "I am sure you're going to love it," Rashawn said smiling.

"Yuck!" Payton yelled as she tasted the pie. "What do you mean, yuck?" asked Rashawn, his smile fading, "You don't like it?" "Just joking!" Payton said with a grin. "This is the best pie I have ever tasted!" "Oh good," Rashawn sighed as he sliced the rest of the pie up. "But next time, it would be nicer to say you liked it from the start."

## Puppies

Violet loves helping animals. Her favorite animals to look after are puppies. Violet thinks puppies are the best because they are so cute and cuddly. The way they run around and play always makes her laugh. But looking after puppies isn't always easy.

Puppies need a lot of help. The tiniest puppies need to be fed constantly. It seems like their little bellies are never full. When a puppy cries, Violet tries her best to find out what they need. When the puppies need a bath, Violet scrubs them clean then dries them off. When the puppies are sleepy, Violet lays them on the fluffiest blankets for a nap.

When the puppies need to go potty, Violet hurries to get them outside before they make a mess. Most of the time, the puppies just want their tummies rubbed, which Violet is perfectly happy to do for them.
